Piano Sale

SPECIAL ANNOUNCEMENT

I am pleased to notify you that many fine pianos used in our schools are now available for purchase. These pianos have been on loan to us as part of a special arrangement with Jasons Music Center. These pianos are made available for purchase during an annual sale and are being offered at significantly reduced prices. The selection includes new and used baby grands, uprights, consoles, digital pianos and player pianos from manufacturers like Kawai, Baldwin, Kimball, Steinway and more. The new pianos have been meticulously maintained, and come with full manufacturer warranties.

We are grateful for the use of these instruments to better the music education of our students. This arrangement is an excellent answer to the age-old problem of having older pianos in school systems that are in constant need of repair or replacement. We need your assistance to perpetuate this invaluable program.

This page will allow you to purchase one of these instruments before they're offered to the public..

There are two occasions when you might see these pianos:

1. **By appointment** (recommended) on **Friday, April 26th** or **Saturday April 27th**, prior to the general public sale. This appointment portion of the event will have the best selection and pricing.

For an appointment please call 410-647-3442.

2. **General Public Sale.** You are welcome to attend the advertised sale for the general public on **Sunday, April 28th**, from 10 am to 3 pm.

The sale will be conducted at Jasons Piano Warehouse, 509-F McCormick Dr., Hanover, MD 21076.

Budgetary sources remain limited, the importance of this creative program increases. Having sufficient pianos in our music departments is essential for our children. If you would like to own a fine piano, I hope that you will take advantage of this opportunity to enrich your life and **benefit the Archdiocese of Baltimore Schools** at the same time.
