

DR. BOB SAWYER

MIRACLE HEALING SERVICE

Bob didn't know if there was a God, until the Lord surprised him with His Love at age 32, healing a 5" hole in a patient's neck overnight. Signs and wonders have followed him since then.

"Did I not tell you that if you believe, you will see the glory of God" John 11:40

It's about Jesus, not about Bob or the Healing Prayer Team working in the ministry who all can witness to **JESUS' INCREDIBLE HEALING POWER.**

TO PROMOTE THIS MINISTRY, THE FOLLOWING STATEMENTS WERE MADE:

"As pastor, I was hesitant to bring the Miracle Healing Service to my parish because I wasn't sure what to expect. Dr. Bob was faithful to the teachings of the Church, and the grace that poured forth during the service was a transformative experience for our parish community. I encouraged Dr. Bob to "take his ministry on the road", because more parishes need to experience this wonderful service!"

Rev. Gregory Kreinheder, Pastor, St. Joseph's Catholic Church, Oswego, NY

"Dr. Bob Sawyer has been used by God to perform some remarkable healings. It is marvelous to see a man of such medical standing being used so powerfully by God."

Damian Stayne, London, England, Worldwide Evangelist & Healing Ministry

"As Believers in the Holy Trinity, we are able to see the power of God's love and the Holy Spirit's presence in our lives through the many signs and wonders that are in our midst."
