

## Format of Course:

- Gathered Sessions (10 hrs. total)
- Assigned reading throughout course: *The Catechist's Toolbox*, by Joe Paprocki

## Course Description:

This level 1 *Equip for Ministry* course is designed to introduce parish catechists to the mission of catechetical ministry and equip them with tools and methods for more effective evangelization and catechesis. The course is intended to be accompanied with personal reflection and reading so that the catechist will emerge strengthened in the knowledge of the task before them and more practiced and comfortable with methods for carrying out their role in the parish.
