**OUR PARISH MISSION  
STATEMENT:**

We are Christian Communities worshipping in the Roman Catholic tradition. We have a three fold mission, ministering: to ourselves, to the local poor, to the vacationers. We minister to ourselves through manifesting a true sense of responsibility for each other's welfare.

We strive to nurture our faith through education, liturgy, and social life. To the poor we extend a caring community. As a parish, and in cooperation with the local Christian community, we have established a center, the HOUSE OF HOPE, for emergency shelter, food and monetary assistance. To our vacationers we offer our Christian hospitality and a parish away from home. We present ourselves to the community at large as an active, committed parish. To this community we are Catholicism, and we do not take this responsibility lightly.
